MARRIAGE

Marriage: IMG_3917.JPG (Note that apparently the marriage occurred on March 7, 1792 in Tasso's Santa Margherita parish church, two months after the January 9, 1792 birth and baptism of the first child, Rosa, whose baptism occurred in Lumarzo's Santa Maria Maddalena parish church and note also that that first child's birth and baptism record in Lumarzo's Santa Maria Maddalena parish (DSC04540.JPG) nonetheless refers to the parents as a married couple at that time. Not also that the baptism record of this couple's first child, Rosa, does not refer to the father's father's name.

Husband **Andrea Lagomarsino**

Wife **Maria Lagomarsino**

MARRIAGE (Continued)

The last two children of this marriage were Aloisus Lagomarsino, born 21 Apr 1808 (DSC04901.JPG) and Angelus Emmanuel Napoleon Lagomarsino, born 18 Dec 1809, baptized 11 Jan 1810 (DSC04901.JPG).

HUSBAND - Andrea Lagomarsino

Birth: DSC04334.JPG (the birth is apparently recorded twice; in the first record the mother is not mentioned; in the second record she is).

WIFE - Maria Lagomarsino

Extensive searches for a birth and baptism record for Maria Lagomarsino, daughter of Antonio Lagomarsino, yield no record. Searches were performed in the records of births for the years from 1760 to 1780 both of Tasso's Santa Margherita parish church (IMG_5438.JPG through IMG_5486.JPG) and of Lumarzo's Santa Maria Maddalena parish church (DSC04149.JPG through DSCO4426.JPG). The candidate birth record most likely to pertain to Maria is that of Angelica Lagomarsino (RIN 6827), daughter of Antonio Lagomarsino (RIN 1321), born 6 Feb 1773 in Tasso (IMG_5465.JPG). However, there is no evidence in any original records that Angelica was known later in life as Maria.

CHILD 1 - Rosa Lagomarsino

Birth and baptism: 9, 9 Jan 1792 (DSC04540.JPG):
Rosa Lagomarsino
f. Andrea Lagomarsino [no paternal grandfather mentioned]
m. Maria Lagomarsino di Antonio

Note that this record of birth an baptism refers to the parents as a married couple and does not refer to the father's father's name. The record of this couple's marriage in Tasso's Santa Margherita Parish (IMG_3917.JPG) reveals that apparently the marriage occurred on or shortly after March 7, 1792 in Tasso's Santa Margherita parish church, two months after the January 9, 1792 birth and baptism of this first child of the family, Rosa, the child being baptized in Lumarzo's Santa Maria Maddalena parish church.

CHILD 2 - Rolando Lagomarsino

Birth: DSC04552.JPG.

CHILD 3 - Margarita Lagomarsino

Birth: 26, 27 May 1795 (DSC04567.JPG):
Margarita Lagomarsino
f. Andrea Lagomarsino di Filippo
m. Teresa Cevasco di Angelo

CHILD 4 - Vittoria Lagomarsino

Birth: 12, 16 Jun 1797 (DSC04591.JPG):
Vittoria Lagomarsino
f. Andrea Lagomarsino di Filippo
m. (mother is not named in the birth record).
Note: The name given in the birth/baptism record actually seems to be the name of the paternal grandmother, not the mother, given immediately after the name of the paternal grandfather:

Even though normally in these decades the parish priest started out the text of birth/baptism records by naming the child to be baptized followed by the names of the child's two parents (father and mother), each parent so named followed by that parent's father's name (which in this case, if written as normal, would have been "Andrea di Philippo" as father and "Maria Lagomarsino di Antonio" as mother), here, apparently, the birth/baptism record named the father and both of his parents (not just the father's father), naming both the father's father and the father's mother, neglecting altogether to name the baptized child's own mother. The reason the priest apparently omitted reference to the child's mother's name, Maria Lagomarsino, may be because she was from Tasso's Santa Margherita parish and he did not know her for even the child's mother's marriage occurred in Tasso (see the Tasso marriage record at IMG_3917.JPG: "1792 . Die . 7 Martii Lacumarsinus Andreas Filippi di Parochia Sta. Maria Magdalena Lumartii et Maria Lacumarsina Antonii ex hac nostra Parichia . . . ."
